5. Public forum

- The parishioner present advised that she was very happy with the work done by the PC regarding the Weight Restriction on Main Road, the support for the Village Hall refurbishment, the new street lights, the Newsletter and the proposed Village Gateways. She wished to raise a query regarding the situation on Coldhams Lane, which is at the end of Market Lane. She felt that this was a Public Right of Way but had been told by a resident on the lane that it was not. It was agreed that the Clerk would look into this matter and advise her of the situation.
- The Chairman advised that he had received several positive comments from parishioners regarding the Newsletter.

No further comments or queries were raised.
